## Themes

**Directions:** Write the two most important themes from your book in the areas provided. Then, find three quotations or examples to illustrate each of those themes.

The diagram is a hierarchical graphic organizer. At the top, there are three empty rounded rectangular boxes. Lines from the bottom of each of these three boxes converge at a central rounded rectangular box labeled "Theme 1". Below "Theme 1" is another central rounded rectangular box labeled "Theme 2". Lines from the top of each of the three boxes below "Theme 2" converge at the bottom of the "Theme 2" box. This structure allows a student to identify two main themes and then provide three supporting examples for each.
