

A progress Achievement Test

Statement of the Problem

There is a need for a progress achievement test to assess skills of students in a rural school about their present status for acquisition of appropriate affective domain, but grade-achievement test and progress, domain and mathematics progress domain test are the ability range providing the and giving information about students' abilities about acquiring their own mathematics and the level of their learning. The school has done its best to measure their mathematics in the progress-achievement test. The progress test is used to measure mathematics and the school progress knowledge on top of this test students will be able to see what level is set for them. This test will be used by teacher to see the progress of the students' progress, proficiency about the subjects. Students will receive books needed for the test.

Language level: A2

The progress achievement test will be used to assess students' abilities of reading and understanding progress test they are well aware of mathematics progress about their mathematics and domain questions about what they do at school and to see their understanding and progress in mathematics. This test will be used to see what level is set for them. This test will be used by teacher to see the progress of the students' progress, proficiency about the subjects. Students will receive books needed for the test.

The Name of the Book

How Bridge Assessment for grade 8 Elementary Teacher's Book

Contents of the Book

| Chapter | Topic | Objectives |
|---------|-----------------------|---|
| 1 | Mathematical Literacy | Use appropriate mathematical operations |
| 2 | Mathematics | Use appropriate mathematical operations |
| 3 | Mathematics | Use appropriate mathematical operations |
| 4 | Mathematics | Use appropriate mathematical operations |
| 5 | Mathematics | Use appropriate mathematical operations |
| 6 | Mathematics | Use appropriate mathematical operations |
| 7 | Mathematics | Use appropriate mathematical operations |
| 8 | Mathematics | Use appropriate mathematical operations |
| 9 | Mathematics | Use appropriate mathematical operations |
| 10 | Mathematics | Use appropriate mathematical operations |
| 11 | Mathematics | Use appropriate mathematical operations |
| 12 | Mathematics | Use appropriate mathematical operations |
| 13 | Mathematics | Use appropriate mathematical operations |
| 14 | Mathematics | Use appropriate mathematical operations |
| 15 | Mathematics | Use appropriate mathematical operations |
| 16 | Mathematics | Use appropriate mathematical operations |
| 17 | Mathematics | Use appropriate mathematical operations |
| 18 | Mathematics | Use appropriate mathematical operations |
| 19 | Mathematics | Use appropriate mathematical operations |
| 20 | Mathematics | Use appropriate mathematical operations |
