

LESSON PLAN

Grade: 8th class

Topic: Experiences

Lesson Subject: Present Perfect Tense (Introduction to present perfect tense and Have you ever been to ?)

Time : 1 hour

WB – PART (5 min)

The teacher comes to the classroom and greets the students. The teacher asks students how their weekend was. After having the answers, she tells that her weekend was busy because she has a guest. One of her friends, Holly who had been in United States, came to her. Then, the teacher shows the picture of the party. The teacher tells that her friend spoke about her experiences in States. She asks students if they want to know more about that trip.

CONTEXTUAL SUBSTITUTION (15 min)

Then the teacher distributes a handout which includes a dialogue between Holly and the teacher. She asks students to read the text and have a idea about it. The dialogue includes sentences with present perfect tense. After reading the text, the teacher asks some questions:

- Where has Holly been ?
- Which places has she visited ?
- What has she learned at the summer camp ?
- Has Holly bought presents for her friends ?
- Can you use the exact time ? When did she do those things? Last year? Two months ago? Yesterday?

As the teacher gets the answers, she puts the flashcards on which the correct answers are written before the class. After getting all the answers,
