

Art Analysis Worksheet

Use this worksheet to write down your answers to the description, analysis, interpretation and evaluation questions. This worksheet will be your guide for writing your four-paragraph analysis.

Description

1. What is the name of the artwork?

2. What is the name of the artist who created the artwork?

3. When was this artwork created?

4. Where was this artwork created?

5. What kind of an artwork is it?

6. What medium does it appear to be made from?

7. Name some other major events or developments in history that occurred during the same time this artwork was created.

8. List all the formal objects you see in the composition (lines, people, animals, shapes, textures, etc.).
