

Name: _____

CCSS 2.MD.10 Draw a picture graph and a bar graph to represent data....

Graphs

Directions: Answer the questions.

Students voted for their favorite color and made a bar graph to show their results. Use the bar graph to answer the questions.

1. How many students voted for blue?

2. How many students voted for pink?

3. How many students voted altogether?

4. Which color received the most votes? _____

5. Which color received the least votes? _____

6. How many more students voted for blue than red? (show your work)
