

PLEASE, DON'T TAKE DRUGS!

There are three main kinds of drugs - hard, soft and legal. They can all cause addiction, serious illness, and even death. Thousands of drug addicts die every year. Some die of the drugs themselves. Others die from AIDS. This is because they use dirty needles and share them as well.

DRUG CLASS	DRUGS	LEGAL DRUGS
Heroin Cocaine LSD Ecstasy Amphetamine ...	Marijuana Ecstasy Amphetamine/Speed ...	Tobacco Alcohol Prescription ...
