

Fun in the Winter Snow

It is winter. It is very cold. Mary and Tom are playing in the snow. They are wearing winter clothes. Mary is making a big snowball. Tom is wearing a brown winter coat. His coat is yellow and orange. Tom is wearing blue and white boots and his pants are blue. His mittens are purple.

Tom is making a snowman. The pants are brown and his boots are black. They are playing with Mary's dog, Dolly. Dolly is brown and white. There are two houses behind them. One is Mary's house and the other house is where Tom lives. The big house is orange. The house behind the street is blue. Mary and Tom are laughing in the snow. They love to be outside in the winter. They also make big snowmen with carrot noses. Down the street is a little hill where they play with their sleds. It is fun. When they get tired they go inside and drink a big cup of warm cocoa. That is the best thing about winter.
