

### Maya's New Backpack

Maya was excited to start the new school year. She was excited to see her friends again and to start her new books. She was also excited about using her new backpack. She got down on the floor with all of her new school supplies and her brand new backpack.

First, Maya put her crayons in the backpack. She could use the crayons for drawing pictures for her new teacher, Mrs. Smith. Next, she put her pencils in the backpack. She could use the pencils to cut out letters for her best friend. Then, Maya put in her new princess pencils. She thought of all the stories she could write with them. Finally, Maya put a bottle of glitter glue in her backpack. It would make everything she made sparkle.

When she had everything put in the place, Maya carefully zipped up the backpack and put it next to the door. She smiled as she thought of what a great year it would be.
