

Name _____

Date _____

The worksheet is enclosed in a rectangular border. At the top center, a large cloud contains the text "Trace and Match". Below this, a central illustration of an airplane is shown from a side profile, facing left. The fuselage of the airplane is divided into ten vertical rectangular sections. Surrounding the airplane are ten smaller clouds, each containing a number from one to ten. The numbers are arranged as follows: "ONE" is in a cloud at the top right; "TWO" is in a cloud at the bottom center; "THREE" is in a cloud at the bottom left; "FOUR" is in a cloud above the middle of the fuselage; "FIVE" is in a cloud to the right of the tail; "SIX" is in a cloud at the top left; "SEVEN" is in a cloud to the right of the fuselage; "EIGHT" is in a cloud at the bottom right; "NINE" is in a cloud above the front of the fuselage; and "TEN" is in a cloud to the left of the front of the fuselage.
