

I see _____ (underline)

The writer is trying to persuade us that...

Here are the reasons (before a giving out)

Reason 1:

Evidence to support that reason:

What I think about that reason:

Here are the questions that I will have about the reason (e.g. ... What? Why is that going to convince me?)

Here are some counterarguments I can make against that reason:

Reason 2:

Evidence to support that reason:

What I think about that reason:

Here are the questions that I will have about the reason (e.g. ... What? Why is that going to convince me?)

Here are some counterarguments I can make against that reason:

Reason 3:

Evidence to support that reason:

What I think about that reason:

Here are the questions that I will have about the reason (e.g. ... What? Why is that going to convince me?)

Here are some counterarguments I can make against that reason:
