Solve the Secret Codes

Top secret agents and spies often use secret codes to send each other messages. They use numbers, letters, or symbols, but they don't use them normally!

Alphabet Shift

Every letter in the alphabet stands for the letter before it.

What equipment does every spy need?

Look at the words written both regularly and in code form. Can you figure out what the code key is and solve the last two coded words?

Learn how to be a spy! What do these words mean?

glk hvxivg = top secret

vhkrmlztv =

hzylgztv = sabotage

zvmg =

hfievroozmxv = surveillance

Now come up with your own code to send a message to another spy or secret agent!
