

Budgeting in a Non-Profit Organization - Online

This course covers budgets and how they are used in non-profit organizational settings. You will gain an understanding of the uses and functions of budgets and the relationship between strategic budgeting and tactical budgeting. You will also learn about the organization-wide budget and different budget systems. The course will continue on to slightly more advanced budgeting topics such as capital budgets, cash flow budgets, and opportunity budgets. You will also learn how non-profit organizations are using different budgeting techniques to handle operating challenges.

This course is self-paced and online. Subscriptions are for 90 days.

Targeted Audience

This course is intended for adults seeking to gain a basic understanding of budgeting. This course is best suited for learners with a basic understanding of finance concepts.
