Present and Past Tense Verbs Worksheet (Converting)

The present tense of a verb names an action that happens now. The past tense of a verb names an action that already happened.

Directions: Re-write each sentence and convert each past tense verb to present, and each present tense verb to past.

Example: The students in the class are on time everyday.
The students in the class were on time everyday.

1. John walked to the store yesterday and bought some cookies.

2. Susan was able to walk home after school because she lived very close to it.

3. The group of teenagers are walking to the movie theatre after class.

4. Michael is one of the best and brightest students in the class.
