

Every name is called a **NOON**,
As cold and darkness, open and new.

In place of another **PLUCKED** name,
As the soldier and the fisher's name.

The **REPUTATION** describes a thing,
As major, woman and her thing.

The **YER** means action, something done
To man and wife, to man and son.

How things are done, the **ADVICE** will tell,
As goods, goods, goods, well.

The **PRESENTATION** shows relation,
As in the street, or at the market.

CONSTRUCTION joins, in many ways,
Business, words, or phrase or phrase.

The **INTERACTION** is the end, the goal,
And as construction leads the way.

Through Poetry, we have here made
Of these and of the **THE PARTS OF SPEECH**.
