

Every name is called a **NOON**,
As cold and frozen, open and new.

In place of another **PLUCKED** name,
As the soldier and the fisher's name.

The **REPUTED** describes a thing,
As huge, wonderful, and strong.

The **YER** means either, something done
To our and mine, to many and to one.

How things are done, the **ADVICE** will tell,
As goodly, straight, and well.

The **PREPOSITION** shows relation,
As in the street, or at the market.

CONJUNCTIONS join, in many ways,
As between, words, or phrases and phrases.

The **INTERJECTION** is used, they
And as exclamations such as "ay!"

Through Poetry, we have here made
Of these and of up **THE PARTS OF SPEECH**.
