

I haven't seen you for ages!

1 Look at the diagram below.

- We use the *Present Perfect* for something in the past that is connected to the present.
- We can describe the diagram above like this: *I haven't played tennis for six months.*
- Native speakers often use phrases like 'for years' or 'for ages' meaning 'a long time'.

2 Practice A Write answers. You need to choose a suitable verb.
