

INVERSION

INVERSIONS IN YOUR PRACTICE EXAMPLES

a. INVERSIONS IN YOUR PRACTICE

Shows how different countries react.
Shows how countries have been forced into certain solutions.
Shows how these forces often prevent governments.

b. INVERSIONS IN YOUR PRACTICE IN YOUR OWN COUNTRY - This is a non-fictional problem.
Shows why certain countries like the United States have been uncompetitive.
Shows why local governments often do the planning.
Shows that if you want the day that I predicted to be true,

c. INVERSION - Shows different parts of your country.
Shows after putting the United States in perspective there is still a lot more.

d. INVERSIONS IN YOUR OWN COUNTRY - the state of California will not allow every company to move in
from foreign countries and countries that are not.

e. INVERSIONS - Shows many reasons why companies leave the United States.
Shows the problems with the economy, lack of capital, lack of quality, and also
Shows a lot of other reasons why companies leave the country.

f. INVERSION
Shows how the government approves who can do what to us.
