

# Temperature

(Day #1)

Look at Weather Map #2:

- A.** Will the temperatures in Massachusetts be in the 90° F range?

Look at the 'Temperature Across the Nation #2' chart:

- B.** Was it warmer in West Palm Beach, Florida or Dallas, Texas?

Look at the classroom thermometer:

- C.** What is the temperature in Fahrenheit inside your classroom today?
- D.** Write the temperature for “**C**” in Celsius.
- E.** Choose the most reasonable temperature for your classroom.

**-20° F**

**0° F**

**30° F**

**70° F**
