

Name \_\_\_\_\_

## Fill It In

Identify and spell vowel digraphs and diphthongs.

Write the missing vowels on the lines to complete the word.

|                                                                                                     |                                                                                                |                                                                                                 |                                                                                                  |
