

Directions:

Think of 10 adjectives that describe Willy Wonka and write them in these boxes.

1.	6.
2.	7.
3.	8.
4.	9.
5.	10.

Directions: Planning Your Project

Think about the way that you are going to design Willy Wonka's body.

- What color clothes will he wear? Will you use markers to color his clothes? Will you use colored construction paper or fabric to design his clothes?
- How will you design his head, hands, and feet? What facial expression will Willy Wonka have? What will his hair look like? Will you use yarn for his hair?
- What will Willy Wonka be holding in his hand? What other ways can you design this project so that it looks like Willy Wonka? This should be based on what you know about him from Charlie and the Chocolate Factory.

Use the space below to write down your ideas and any special materials that you will need to design Willy Wonka's body.
