Winter Graph Questions #1

Directions: Use the winter graph cards to answer the following questions.

1. Look at Graph #1. Ella, Jeremiah, and Luke had a snowman building contest. How many snowmen did they build in all?

2. Look at Graph #2. How many more presents did Dominick wrap than Kameron?

3. Look at Graph #3. Some friends had a snowball fight. How many more snowballs did Hannah and Mai make than Eric?

4. Look at Graph #4. During winter break Noah, Emily, Chayse, and Amil drank hot chocolate after playing outside. How many fewer cups of hot chocolate did Chayse have than Amil?

5. Look at Graph #5. How many pieces of holiday candy did the children eat in all?
