

MOVIE REVIEW

I - D - A - R

- **INFORM.** The review needs to tell people who it is (the film's title), who it is by (director) and when it was released (date).
- **DESCRIBE.** The review should describe the story, characters and some of the action - without spoiling the plot or giving too much away!
- **ANALYSE.** A good review gives an opinion on whether the film is good or not and why.
- **RECOMMEND.** Finally, the review should tell the reader whether or not to go and see the film.
