Directions:

For this activity you will be labeling a blank map of ancient Greece. On this map you will be labeling bodies of water, significant city-states, and some kingdoms. In order to locate all of these items, you will utilize the following list of map resources:

Map Resources:

- Page 269 in HISOTRY ALIVE! Textbook
- Page 272 in HISOTRY ALIVE! Textbook
- The map on the back of the “**More Greek Geography**” worksheet
- Page 329 in the “Message of Ancient Days,” old textbook
- Page 333 in the “Message of Ancient Days,” old textbook

Using these resources, follow the specific instructions listed below. Make sure that you write as neatly as possible and spell all words correctly.

- 1) Color the bodies of water in **blue** and write their names in black pen or sharpie:

Ionian Sea	 Aegean Sea
Adriatic Sea	Mediterranean Sea
Gulf of Corinth	
- 2) Label the following land areas using a black pen or sharpie (**use all capital letters**):

MACEDONIA	ASIA MINOR
CRETE	CORFU
SAMOS	RHODES
PELOPONNESUS	
- 3) Find the dot that corresponds to the following city-states and label each using a black pen:

Sparta	Athens
Corinth	Knossos
Thebes	Delphi
Marathon	Mycenae
- 4) Create key/legend for all the symbols that you used.
