

Name _____

Teacher _____

Post Secondary Options Worksheet - College

To complete this exercise, you will need to research two colleges you are interested in attending following graduation.

- Log onto **WOIS.org**, use the **Site Key:**
(Please e-mail Ms. Hasslinger or see Ms. Johnson in the CRC for the site key)
- In the left navigation pane, click on **Schools**, click on the ones you want to research.
Note: If the school/schools you are interested in are located in another state, click on that state.

Write your answers in the box provided for College #1 and College #2.

What is your planned area of study? _____

COLLEGE NAME	Write Answers in Box	
	College #1	College #2
Location —Instate school —Out of state school		
Size —Enrollment - # of students on campus		
Environment —Type of school (2-or 4-year) —School setting (urban, rural) —Private —Public		
Requirements —Application deadline —SAT/ACT required? (4 year school) Have you signed up to take it? —Compass/Accuplacer required? (2 year school) Have you signed up to take it? —GPA requirement —Colleges require MORE classes than high school. Do you know which classes you still need to take next year?
