

A blend is made up of two or more consonants sounded together so that each consonant is heard.

## Amazing Blends!

Identifying initial and final consonant blends

Guide the submarine to the gold coins through the maze of blends. Color only picture words that begin or end with a blend.

START

The maze contains the following items:

- Drum

- Envelope
- Wolf
- Stick
- Magnifying Glass
- Sun
- Head
- Eyes
- Gold Coins (FINISH)

Have your child go on a Blends Scavenger Hunt by looking around your home for objects that have blends in their names. For example, he might find a broom, a plant, or a set of stairs. Have him list the words on a sheet of paper. Challenge your child to find at least 10 words with blends.
