

Name _____

First Grade Social Studies Formative Assessments: Unit 3 The Land Around Us

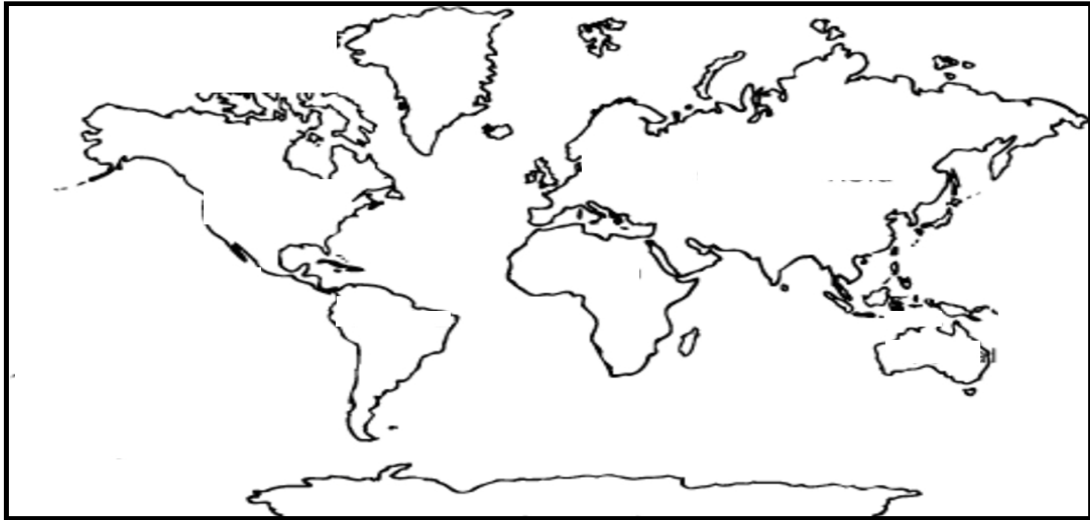

Lesson 1a: Complete Map and Globe Activity. Circle the picture that is the easiest to read and shows you all the continents and oceans in the world at the same time.

Lesson 1b: Land and Water Activity

Land and Water

Color the boxes in the map key to show the color of land and water by using your blue and green crayons. Then color the map to match the key.

Map Key water land
