

PRONOUNS AND ANTECEDENTS

A pronoun agrees with its antecedent in number, gender, and person. If the antecedent is singular, a singular pronoun is required. The plural antecedent requires a plural pronoun.

The following antecedents are referred to by singular pronouns: **anybody, anyone, each, either, everybody, everyone, neither, nobody, one, somebody, someone.**

- ex. Each of the boys has his own savings account.
Anyone can achieve his or her goals.

Singular antecedents joined by **or/nor** are referred to by a singular pronoun.

- ex. John nor Dave could find his jacket.
A dog or a cat can find its way home.

Collective nouns may take either a singular or plural pronoun, depending on the meaning of the sentence.

- ex. The cast is having its picture taken. (whole group as one)
The cast quickly took their places on stage. (individuals)

Choosing the Right Pronoun. Underline the correct pronoun.
