Occupational Information Student Worksheet #1

Identify educational requirements, salary, job description, and occupational outlook for six career areas that match your profile by completing the Occupational Information Worksheet. This will total three different worksheets.

Career: _____

Find out some information about your specific career choices. Make sure you find information in all these areas:

1. Salary (How much does this job pay on the average?):
2. Educational Requirements (What kind and how much education do you need for this type of career?) Years of training/college, type of degree, internship etc.
3. Job description (What do they do?)
4. Occupational Outlook (How many job openings are projected for this career?)
5. Personal characteristics/ abilities (not skills) are needed for this career:
6. Advantages for this career (this may not be on site since it can vary from person to person):
7. Disadvantages for this career (this may not be on site since it can vary from person to person):
8. Working conditions (inside, outside; lifting or not; hours; etc.):
9. Would I be suited to this job and consider it as a career possibility? WHY?
10. At least ONE address where I could find FURTHER information: (Usually association for this career- found all the way at bottom of page)
