

Multiple-Choice Questions

- 1. Which of the following is not a function of the cell membrane?
 - A. Cell signaling
 - B. Cell adhesion
 - C. Cell movement
 - D. Cell division
- 2. Which of the following is not a function of the cell membrane?
 - A. Cell signaling
 - B. Cell adhesion
 - C. Cell movement
 - D. Cell division
- 3. Which of the following is not a function of the cell membrane?
 - A. Cell signaling
 - B. Cell adhesion
 - C. Cell movement
 - D. Cell division
- 4. Which of the following is not a function of the cell membrane?
 - A. Cell signaling
 - B. Cell adhesion
 - C. Cell movement
 - D. Cell division
