

# BEE ALPHABET!

1. Write the missing letters in the honeycomb!

2. Colour the picture. Colour all round parts yellow and all connected parts black.

3. How many letters do you see? How many letters do you not see? Colour and write.

4. Look at the bees. What letters are written? Write them in the honey pot!

5. Write down the letters in order. Letters G and I are missing.

6. Colour the bees in the correct order and you will get a honey bee!
