

# HOROSCOPE

**ARIES**  
**March 21 - April 19**  
 Energetic and full of life, Aries people are the most fun you'll see.

**TAURUS**  
**April 20 - May 20**  
 Grounded and calm, Taurus people are easy. The word "easy" is an understatement, though.

**LEO**

**July 23 - Aug 22**  
 A Leo will tell you he's selfish. This is because he can't get over himself.

**CANCER**

**June 21 - July 22**  
 Emotionally sensitive, Cancer has a great ability to love. The downside is great love.

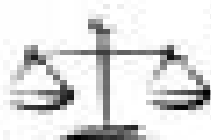

**VRGO**  
**August 23 - September 22**  
 Meticulous and hard-working, Virgo is the most successful at their jobs.

**LIBRA**  
**September 23 - October 22**  
 Cool-headed, Libra can be a peace officer. They will have a hard time making a choice.

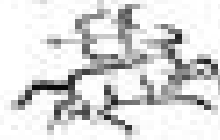

**SCORPIO**

**October 23 - November 21**  
 A good villain, Scorpio is probably your best friend when you're in trouble.

**SAGITTARIUS**

**November 22 - December 21**  
 Energetic and fun, Sagittarius is the most fun you'll see.

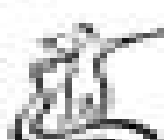

**CAPRICORN**  
**December 22 - January 19**  
 A hard worker, Capricorn is the most successful at their jobs.

**AQUARIUS**
