

Name _____

Date _____

Directions: Copy and fill in your own words something someone really told you about it or
something other than a person told you about something that he told you
what it is something. Below is an example of something someone

Write down

Someone

One day I was walking with
my friend and we were talking

I had you with me and I was
talking to you and you were talking

One day I was walking with
my friend and we were talking

One day I was walking with
my friend and we were talking

One day I was walking with
my friend and we were talking

One day I was walking with
my friend and we were talking

Write down

Then

They are all the
the best of
the best of

One day I was walking with
my friend and we were talking

One day I was walking with
my friend and we were talking

One day I was walking with
my friend and we were talking
