 ear
 ear

5  coat
 cake
 lake

6  baby
 lake
 bike

7  rope
 soap
 snail

8  moon
 mine
 moon

9  knife
 knob
 know

Every one or two weeks, have your child make a list of five words he wants to learn to spell. For example, they may be Christmas terms, holiday words, or the names of sports teams. Post the words on the refrigerator and encourage your child to practice spelling them. At a later date, give him a spelling test. Then reward your child's efforts by reading his favorite video, playing a game with him, or offering some other special treat.
