

# Earth Day

Earth Day is April 22nd. The Earth  has

many problems. Global warming  and

pollution  are big problems. People can help

the Earth.  They can take the bus. They can ride

a bike  or walk. They can recycle 

plastic and glass.  They can buy bulk food

and recycled toilet paper.  They can eat

less meat.  People can use cloth bags. 

What do you do to help the Earth?
