

Name: _____

Counting Project!

1.NBT.A.1

In first grade, you are supposed to learn to count to 120. Show you can count to 120 by making one of these project choices.

Write a song that counts to 120.	Create a play or skit that shows counting to 120.	Make a piece of art that counts to 120.
Make a dot-to-dot that counts to 120.	Make a cartoon or comic strip that shows counting to 120.	Count 120 steps. Tell how far it took you.
Collect 120 things. Share with your class.	Find out how long 120 seconds is, 120 hours, 120 days. Present to the class what you learned.	Make a puzzle that has 120 pieces.
