

This three-dimensional Periodic Chart can be colored with Magic Marker and glued together. One suggested use would be as a Christmas tree ornament so that the student may be annually reminded of the importance of Periodicity! (It is helpful to extend the tabs when cutting.)

# THE PERIODIC PYRAMID

By Charles E. Gragg,  
Boroughs Wilcome Co.  
Research Triangle Park, NC

Each idea represents  
one type of atomic orbital  
s, p, d, f

\*Note exceptions
