

A. Word Stress

teach	teacher
manage	manager
follow	follower
adventure	adventurer
advertise	advertiser
advise	adviser
funny	funnier
easy	easier
wise	wise

TICK The words in the second column if they

have a different stress.

keep the same stress.

I think that the **-er ending** is strong weak.

The general rule is that this **-er ending** changes the main stress of the word. doesn't change the main stress of the word.

(exceptions: words with **Greek origins** : a photograph, a photographer)
