# TRUE or FALSE?

## 3 Branches of U.S. Government

: Read the statement. Answer true or false. If false, write the correct answer underneath.

Our country's Founding Fathers, the writers of the U.S. Constitution, wanted to create a strong national government. They also wanted to make sure that one person or group did not have too much power. That's why they separated the government's powers into three branches: Legislative, Executive and Judicial.
