

19-Substrate Conversion into Glucose "Yes" "No" "In the liver only" "Yes" "No" "In the liver" "In the kidney" "In the liver"	"Yes" "No" "In the liver only" "Yes" "No" "In the liver"	20-Substrate Storage "The majority of" "The majority of" "In the muscle" "In the muscle" "In the muscle" "In the muscle" "In the muscle"
---	---	--

21-Storage "Yes" "No" "In the liver only"	22-Storage "In the liver" "In the muscle" "In the liver and muscle" "In the muscle" "In the liver"	"Yes" "No" "Yes" "No"
---	--	--------------------------------

23-Substrate in Adipose Tissue "No" "In the liver only" "In the rest of adipose tissue"	24-Substrate "In the liver only" "In the muscle" "In the liver and muscle" "In the muscle" "In the liver"
---	---

25-Substrate in Adipose Tissue "No" "Yes" "No" "Yes" "No" "In the liver" "In the muscle"	26-Substrate in Adipose Tissue "In the liver" "In the muscle" "In the liver and muscle" "In the muscle" "In the liver"	"In the liver" "In the muscle" "In the liver and muscle" "In the muscle" "In the liver"
