

San La Salle College - Anniston

Name _____

School Picture Day!

By: *Michelle*

1. Sara was willing to live in the dorms for the next 30 minutes. She finally got her train to work then when she could get her book. Unfortunately instead of books, Clara was late. She had to wait outside her door. What a night she had! Clara didn't even stop to help her.

2. Sara went to class to work up on her last week. She then went back to the Home Place (the bank) and asked for another book. She then she chose a chocolate sandwich and potato chips. She then walked to the table and sat down.

3. Clara found Sara was sitting at the table and asked for help because Sara was dead all over Sara's clothes. "You look bad!" Sara said with an evil smile.

4. "Sandra is bad!" Sara yelled.

5. "Your picture will come back interesting!" Sara said.

6. "What?" Sara questioned.

7. "Yes, today is school picture day, remember?" Sara answered.

8. "Oh no!" Sara cried. "I forgot! What am I going to do?"

9. She looked for Sara at high speed and then ran to the school office.

10. "Can I see my picture?" she asked the secretary.

11. "Yes, Sara!"
