

# vision

Memorial University will be one of the most distinguished public universities in Canada and beyond, and will fulfil its special obligations to the people of Newfoundland and Labrador.

# mission

Memorial University is an inclusive community dedicated to innovation and excellence in teaching and learning, research, scholarship, creative activity, service and public engagement.

Memorial educates and supports students and scholars from all over the world and contributes knowledge and expertise locally, nationally and internationally.

# core values

## excellence

Excellence in research, teaching and learning, and in service to society.

## integrity

Integrity in all that we do, from research and teaching to service and public engagement.

## collegiality

Collegiality in all that we do, from research and teaching to service and public engagement.

## inclusiveness and diversity

Inclusiveness and diversity in all that we do, from research and teaching to service and public engagement.

## responsiveness

Responsiveness to the needs of our students, faculty and the community.

## accountability

Accountability to our students, faculty and the community.

## freedom and discovery

Freedom and discovery in all that we do, from research and teaching to service and public engagement.

## recognition

Recognition of the achievements of our students, faculty and the community.

## responsibility to place

Responsibility to our students, faculty and the community, and to the environment.

Responsibility to our students, faculty and the community, and to the environment.

Responsibility to our students, faculty and the community, and to the environment.

Responsibility to our students, faculty and the community, and to the environment.

## responsibility to learners

Responsibility to our students, faculty and the community, and to the environment.

## interdisciplinary collaboration

Interdisciplinary collaboration in all that we do, from research and teaching to service and public engagement.

## sustainability

Sustainability in all that we do, from research and teaching to service and public engagement.
