

Or, And, But, Because:

The boy wants to learn. He needs to.

The girl studies. She needs to learn.

Everything is going. Should I be worried?

The machine is broken. It can't run there.

The father is old. They worry about.

The boy wanted to play. He didn't have time.

The doctor is happy. That's for the girl (she's off).

The parents were angry. The parents were all.

The kids were with. They still want to learn.

The teacher was going to bring food. He was going to bring them.
