

How do you feel?

... when you write about problems that have happened or that might happen

... when you have trouble in a long queue or check in at the airport

... when you are unhappy because someone has something that you would like to do or something that you would like to see

... when you don't feel like working or being active

... when you cause some trouble or hurt someone and you regret and want to apologise

... when you believe something will happen the way you want it to

... when you want to start something because other have given you something to keep doing something for you

... when you are pleased and satisfied about something that you own or

... when you are comfortable in the sun, have a rest and do something enjoyable

Keep smiling
