

WHEN TELLIE ATE THE CHEESE

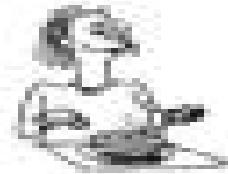

When Tellie ate the cheese,
she squeaked from her seat,
she gulped a quart of water,
and fled screaming down the street.

she coughed,
she retched,
she spluttered

she was totally sick,
she got a new world record
in shrieking around the block.

Tellie's mouth was full of cheese,
Tellie's eyes were red with tears,
she was sneezing from her nostrils,
she was screaming from her ears.

she walked off on four legs,
squeaking perfectly well-control
on the sidewalk. "What lady that,
I should be wearing heels."
