

Here is a chart of the number of crayons in a box:

Red	10
Yellow	6

Green	7
Blue	8

1. How many red and yellow crayons are there altogether?

2. How many more red crayons are there than green crayons?

3. How many crayons are in the box, altogether?

4. Dan took all the green crayons and half the yellow crayons.
How many crayons did he take altogether?

5. Jo took 3 red and 4 green crayons from the box.
How many red and green crayons were left, altogether?

6. Sam took half the blue crayons.
How many blue crayons were left?

7. How many more red and green crayons are there altogether
than yellow and blue?
