

Name _____

Prepositions

Correctly use prepositions.

Read each sentence carefully. Write the preposition that completes the sentence.

A preposition is a connecting word that shows the relationship between a noun or pronoun and another word in a sentence. Some examples:

in	on	under	above
by	about	over	between
with	of	before	after
through			

The picture is **on** the table.

The picture is **under** the table.
