Principle 7 Principles of Government

Which of the 7 Principles of American Government are illustrated by the following?

1. Texas is in charge of its highways, but the US government is in charge of regulating all traffic controllers.
2. The president can veto bills passed by Congress.
3. The government can not take away your right to trial by jury.
4. Every two years Americans can vote for new members of the House of Representatives.
5. The Senate can reject the President's nominee for the Supreme Court.
6. The Bill of Rights.
7. There are three separate branches of government, the Executive, the Legislative, and the Judicial.
