

Name _____

Say "13." Then count backward on the TouchPoints of the second numeral. Write the difference. Now draw a path through the police hats as you count backward from 60 to 39.

$13 - 8 = \square$

$13 - 6 = \square$

$13 - 2 = \square$

$13 - 1 = \square$

$13 - 9 = \square$

$13 - 4 = \square$

$13 - 7 = \square$

$13 - 3 = \square$
