

How to play

Roll the dice and advance according to the number that shows on the dice. When a player lands on a space s/he has to decide the phonetic symbol first, by reading the word and then by trying to spell the word. If correct, the player advances after the other player has taken a turn. If wrong the player loses a turn. If a player lands on a box with instructions, s/he follows the instructions. If the instruction is - GO BACK TO START, the player goes back to start. If it is GO FORWARD, s/he advances according to the instruction. The first person to get to finish wins.
