Making Alliteration Worksheet

Alliteration is a stylistic device in which a number of words , having the same consonant sound, occur close together in a series.

Ex. Peter picked a peck of pickled peppers.

Directions: Add an adjective and verb to each animal below to make an alliterative phrase.

Example A: shark

Answer: silent stealthy shark

1. elephant-

2. donkey-

3. lion-

4. bear-

5. cat-

6. mouse-
